Theme of the Week

This week in assembly, we explored the British value of the rule of law. In EYFS and Key Stage 1, we discussed the importance of rules at home and school, highlighting how they keep us safe and help us get along. We also talked about how adults, just like children, have many rules to follow to ensure a safe and fair society.

In Key Stage 2, pupils took a deeper look at how laws are made and enforced. They explored the role of the government, the court system, and the principle that nobody is above the law. Discussions included real-life examples of laws that protect us and how they are upheld to ensure fairness for all.

Foreword

It's been a fantastic week of learning and experiences at Brooklands! Year 3 had an exciting trip to Chester, bringing their Romans topic to life. They explored historical sites, met a Roman soldier, and discovered what life was like in Roman Britain. Year 6 enjoyed a fascinating walk to the canal, learning about its history, how the lock system works, and the role canals have played in transport and industry.

A huge well done to Year 4 for their incredible production! The children sang beautifully, acted with confidence, and put on a truly brilliant performance. Their enthusiasm and hard work shone through, and we are so proud of them.

Meanwhile, our Year 5 pupils are away on their residential and having an amazing time. They've been taking on adventurous outdoor activities, developing teamwork skills, and creating wonderful memories.

Finally, we'd like to wish all our Muslim families Eid Mubarak for next week. We hope you have a joyous celebration with your loved ones. Have a great weekend. *Mr Shrimpling*

Sporting Fixtures/Results

Results

Girls Sale and Partington Football League 2025 (*we entered two teams*)

Brooklands (1) 0 – 4 Park Road

Brooklands (1) 0 – 3 St Marys

Brooklands (1) 0 – 1 Tyntesfield

Brooklands (2) 0 – 1 Worthington

Brooklands (2) 0 – 0 St Josephs

Brooklands (2) 1 – 0 Moorlands

Upcoming Fixtures/Events:

03/04/2025 - Year 6 Girls Football League

04/04/2025 - Year 4 Girls Football Tournament

Reminders

Ukelele Concert

We look forward to inviting our Year 2 parents into school on Tuesday 1st April at 2.15pm for the Ukelele concert.

Easter

Easter Bonnet Parades (Reception and Year 1) and Easter Parent Workshops (Year 2 and Year 3) will take place in school next week. You can find the time and dates below.

Year 4, 5, and 6 pupils can start to bring their eggcellent Easter Egg competition entries into school from Monday 31st March.

Eid Class Visits/Coffee Morning

This will take place on Thursday 3rd April at 10.30am. All parents from our community are welcome to come along to celebrate.

Pupil Achievements

Science Week Special

Alexa in Y5 has been doing some amazing science at home as part of our science week celebrations.

A huge well done to Priya and Florence (Y6) who achieved the Gold Brownie Awards at Brooklands 4th Brownies at St John's Church and have moved up to Guides. They completed all the brownie awards and enjoyed many camps with their wonderful leaders Tawny (Carolyn) and Snowy.

Upcoming Events

Upcoming Events

02/04/2025 - Easter Bonnet Parades: Reception (09:15), Y1 (14:00)

03/04/2025 - Easter Parent Workshops: Y2 (09:15), Y3 (14:15)

03/04/2025 - Interim Reports to Parents (emailed)

04/04/2025 - Easter Event: Nursery (14:30)

04/04/2025 - End of Spring term (non-uniform / no donation)

22/04/2025 – Start of Summer 1 (note this is a Tuesday due to Easter Monday bank holiday)

02/05/2025 – Pupil Profiles to parents (*change of date*)

07/05/2025 - SENDCo Drop-in

09/05/2025 - Bag2school

12/05/2025 - Mental health Awareness Week begins

12/05/2025 - Year 6 SATs Week begins

Next Week

In English we will...

In Maths we will...

In other lessons we will...

Be listening for the 'l' sound in phonics, be consolidating this half term's learning in maths, be learning about the festivals of Easter and Eid. We will finish the week with our Easter songs and egg hunt event which we are looking forward to sharing with parents.

Y1

Y2

Y3

Y4

Y5

Y6

Use our phonics knowledge to write words and captions

Identify doubles

identify seasonal change

Write our final non-fiction report about year 1 to inform reception what it is like!

In subtraction- Given any two parts of the story we can work out the third part; given any two numbers in the equation we can find the third one.

In Geography, we will learn about the impact of littering in the community and our school grounds. We will create a 'clean-up crew' to take responsibility.

Look at prefixes and conjunctions, while also focusing on up-levering sentences to make writing more detailed and interesting.

Continue learning about money and begin calculating totals and change through problem-solving activities.

Finish our Great Fire of London topic by exploring the aftermath of the fire and learning about how London has changed and developed since then.

Explore the text, 'The Misadventures of Frederick' to understand the characters.

Develop our knowledge of column subtraction.

Evaluate the shell structures created in D.T.

Predicting and writing our own version of next chapter of 'How to train your dragon'

Converting improper fractions and mixed numbers.

Planning and creating a healthy French-inspired salad.

Write our own free verse poems using the features we have explored.

Calculate the volume of 3D shapes

Design and create a working fairground ride in Design and Technology.
