Puzzle Club	2	Evolveclubs online system

\*Drama club runs for half the school year as the children work towards a performance. We will offer the club to new children after February half term.

FAQs:

**What if a child in my class doesn't like the club?** We would strongly encourage all pupils who sign up to a club to attend that club for the entire 5 weeks. Our school values of respect and perseverance mean that pupils should keep going along and trying something new, whilst respecting the time and effort it takes to organise the clubs that they have signed up for.

**What does 'Drop in - no sign up needed' mean?** We continue to have some lunchtime clubs that do not require signing up to. These will run in a classroom that leads out to the playground and pupils will be able to come along when they like to take part in activities led by an adult.

**What does 'No sign up needed - runs all year' mean?** These clubs run all year are open to all pupils. They can drop in to the club if they wish that day. Our KS2 choir takes part in many events across the school year both in and out of school so there is an expectation that pupils who attend do so every week.
