

Welcome to our phonics and
reading information session

September 2026

Brooklands
Primary School

Mrs. Hampton

Phonics and Early Reading

Part 1 - How we teach phonics

Part 2 - How we teach reading

Part 3 - Supporting at home

Phonics

What is Phonics?

- Phonics is a way of teaching children how to read and write.
- It helps children hear, identify and use different sounds that distinguish one word from another in the English language

Did you know?

The English language has:-

- 26 letters
- 44 sounds
- Over 100 different ways to spell those sounds

abcdefghijklmnopqrstuvwxyz

 ee	 igh	 oa	 oo	 oo
 ur	 er	 ow	 oi	 ear

DFE Guidance for Early Reading and Phonics

The journey to independent reading and writing begins with Phonics

littlewandlelettersandsounds.org.uk

Why Little Wandle?

Excellent training for all staff to ensure consistency.

Every aspect of phonics and reading included in a detailed, thorough and systematic approach.

Engaging resources without distracting from the learning.

Comprehensive system for identifying and supporting children requiring extra help

Useful support for parents.

How we teach phonics at Brooklands

Daily short
sessions

Specific order of teaching

Synthetic
phonics

m-u-s-t

Correct pronunciation is vital - Videos on LW

<https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>

Repeated practice

Practice
makes
permanent

Revisit previously
taught sounds at
start of each
lesson

Phonemes are taught in order.
LW has a picture mnemonic to help children remember
the phoneme/grapheme

Early digraphs - 2 letters 1 sound

Vowel digraphs - taught with a short caption to
help children remember
- Also trigraphs igh, air

During phonics lessons we use sound buttons
so we can sound talk and blend to read

Digraphs have a zip to sound talk and blend

Tricky words - Words that do not follow the rules and cannot be decoded - tricky words / exception words
Children are taught what part of the word is tricky

Terminology

You may hear your child say....

Phonics (also known as 'synthetic phonics') – The teaching of reading by developing awareness of the sounds in words and the corresponding letters used to represent those sounds.

Phoneme – Any one of the 44 sounds which make up words in the English language.

Grapheme – How a phoneme is written down. There can be more than one way to spell a phoneme. E.g-the phoneme 'ay' is spelt differently in each of the words 'way', 'make', 'fail', 'great', 'sleigh' and 'lady'.

Blending – Putting together the sounds in a word in order to read it, e.g. 'f – r – o – g, frog'

Segmenting – Breaking a word into sounds in order to spell them, e.g. 'frog, f – r – o – g'

Digraph – 2 letters making one sound

Trigraph – 3 letters making one sound

Reading

We want
children to love
reading

Reading
should be
enjoyable

Learning to read
should be a positive
experience

We want children to
read for pleasure and
be life long readers

Reading underpins children's access to the
curriculum and clearly impacts on their
achievement

Once children have a secure knowledge of a number of GPC's (Grapheme Phoneme Correspondences) and are confidently blending, they will be ready for reading books.

Prior to this they may have wordless books which develop great language skills and teach children the layout of books and how to handle books

How we teach reading at Brooklands

:

Reading practice sessions are:	Books are :
Timetabled 3 times a week	matched to children's secure phonic knowledge and word reading
Taught by trained member of staff	read three times
Taught in small groups	sent home

Reading Practice Books carefully matched so children can read fluently and independently

3 Reads – each one begins with some quick sounds and words practice

1. Decoding

2. Prosody (intonation, expression)

3. Comprehension

When children read their eBook, they should be **95% fluent**.

Please do not worry that a book is too easy – your child needs to develop fluency and confidence in reading. Re-reading a book they have had before helps develop fluency – this is the goal.

Celebrate their success!!!

How do we decide which books children read?

- Children are assessed
- They are given a guided reading book matched to their phonics level
- Children also get to choose a 'home reader' based on the same assessment.
- Reading levels are continuously assessed across the term.

How to support at home

Reading for pleasure

Children will also bring home a 'reading for pleasure book' from our class library every week (Fridays)

To become lifelong readers, it is essential that they read for pleasure

These books offer a wealth of opportunities for talking about the pictures and enjoying the story or information text.

Enjoy the book together and foster a love of reading

What else can parents/carers do?

- Look at the Little Wandle videos and guidance for parents.

[For parents | Letters and Sounds](#)

<http://littlewandlelettersandsounds.org.uk>

- Support your child with the phonics home learning.
- Let your child “show off” their reading to you and celebrate and praise all the way!
- Share books with your children for pleasure.
- Upload photographs to Tapestry

Help your child with reading

Spy

Play 'I Spy' games. Can you find words beginning with...? Can you find a picture of a ...? How many ... can you see?

Ask Questions

Ask questions about the story as you read it. e.g. What is the story about? Why do you think they made that choice? Was it a good choice? Why did that happen? What do you think will happen next? What was your favourite part of the story? Why?

Make it Fun

Enjoy reading together. Give characters funny voices and engage with the pictures. Make a game out of finding words that rhyme or start with the same sound.

Be Seen

Make sure you are seen reading. Keep books and magazines at easy reach.

Get Out

Go to your public library regularly. Find the books you loved as a kid to read together.

Create

Use reading to inspire drawings or new stories.

Go Online

Look online & in app stores for appropriate word & spelling games.

Make Space

Have a special place or a certain time when you read together.

Read everything out loud.

Books, poems, nursery rhymes, newspaper & magazine articles, food labels, anything that is close to hand!
